Richmond Road Elements
Richmond at New Orchard

Facing East - Future

Facing East - Today

Facing East - Today

Facing East - Future
Design Refinements:

- Cycling facilities
- OC Transpo stop/shelter locations
- Wavell pedestrian cross-over
- Furnishing/On-street Parking Nodes
Complete Street
Complete Street

Nodes:

- Can fit within 16.5 m Right-of-way
- Requires reallocation of roadway elements
- Parking areas to be limited in location, on north side of street only
Next Steps

▪ Review and incorporate feedback received
▪ Preliminary functional design
▪ Public Open House
Thank You!
