

About Stage 2 LRT

Stage 2 LRT is a package of three extensions – south, east, and west – totalling 44 kilometres of new rail and 24 new LRT stations. Stage 2 will bring 77% of residents within five kilometres of rail. That means shorter commutes, cleaner air, and a stronger economy.

The Stage 2 extensions will launch in staggered openings:

- Trillium Line South in 2022
- Confederation Line East in 2024
- ▶ Confederation Line West in 2025

West Highlights

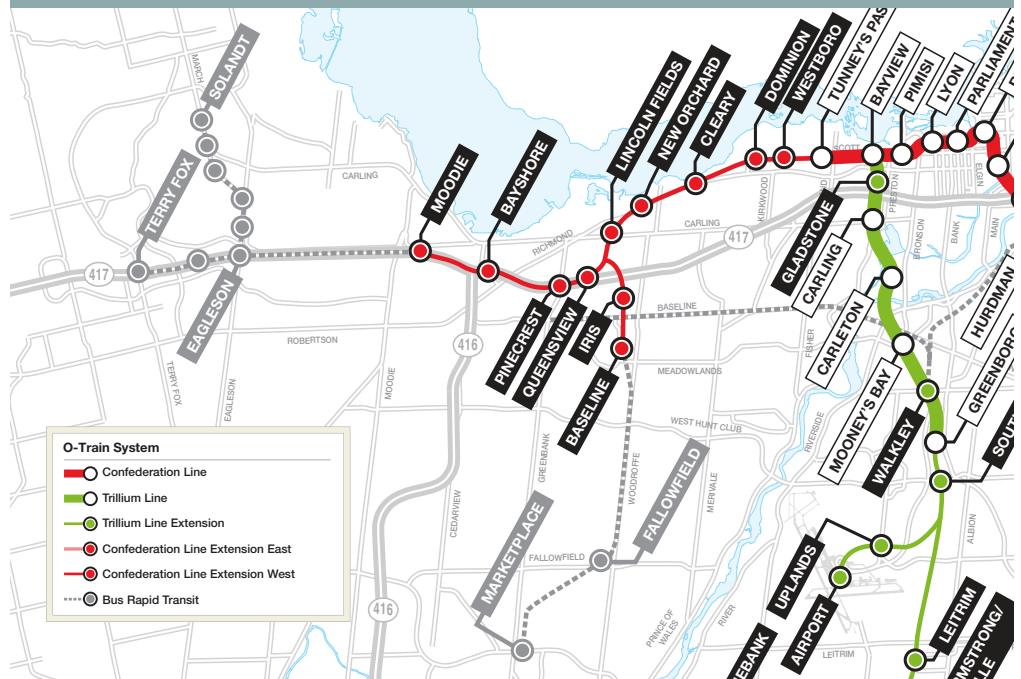

15 new kilometres of rail

11 new stations

This Stage 2 extension will add 15 kilometres of rail and 11 stations – at Westboro, Dominion, Cleary, New Orchard, Lincoln Fields, Iris, Baseline, Queensview, Pinecrest, Bayshore and Moodie – to the City's overall transit network.

Confederation Line WEST

The Confederation Line extension West will see LRT continue from Tunney's Pasture to Moodie and Baseline Stations. Revenue service for this extension is planned for 2025.

THIS EXTENSION WILL:

- Provide comfortable, reliable, efficient LRT connections to:
 - » **Retail** destinations including Westboro, Hintonburg/West Wellington, Pinecrest, Lincoln Fields, College Square, and Bayshore shopping centres.
 - » **Greenspace** including the Ottawa River pathways and the National Capital Commission's future Linear Waterfront Park, Westboro Beach, Pinecrest Creek Corridor, etc.
 - » **Employment** centres including Tunney's Pasture, Queensview Drive/Pinecrest, Morrison Drive, Baxter Road, the new DND headquarters and Centrepointe.
 - » **Educational institutions**, community centres, and places of worship.
- Allow passengers to travel emission-free on the electric-powered Confederation Line from Trim Road in the east to Moodie Drive and Algonquin College in the west.
- Provide new and direct access to LRT for residents in the Hintonburg, Island Park, Westboro, Laurentian, Woodroffe/Lincoln Heights, Whitehaven-Queensway Terrace North, Bayshore, Iris, Centrepointe, Bell's Corners, and Crystal Beach communities.
- Connect directly to the West Transitway to Kanata, and the Southwest Transitway to Barrhaven.
- Link to future light rail transit projects further west to Kanata and Barrhaven.
- Provide opportunities to maximize cycling connections at stations.
